

Welcome to Altens Campus

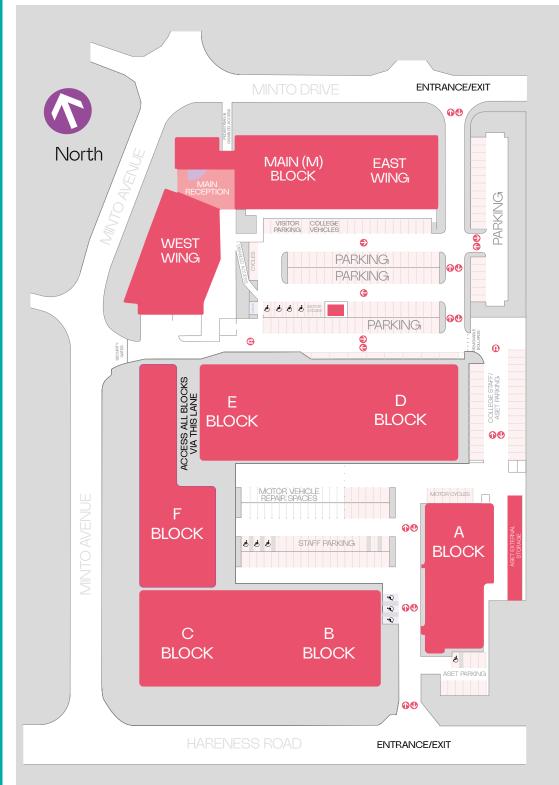

We hope that the table below and map overleaf help you to plan your visit to the Campus. Please note that there are several different blocks at Altens and the subject area classrooms and workshops are arranged across these. Please ask a member of staff if you need help making your way to any of the blocks or rooms listed.

There are no fire alarm tests planned today. If you hear the alarm sound, please follow the signage to the nearest exit.

What's on today

Subject Area	What's on?	Which block?	Which room?
Automotive	Visit the automotive department to see where the courses are taught and have a look at some of the equipment students use on these courses. Teaching staff will be available in this area to show you around.	D	Workshops
