

# OPEN DAY

SATURDAY

16<sup>TH</sup> MARCH 2024

Altens Campus

10.00am – 2.00pm

## MEET THE TEAM

Join us in the Engine Room – that's **F Block** (map overleaf). We can chat through courses, entry levels and progression in construction, automotive and engineering. We will also show you around the campus. The café is open for light refreshments.

## CONSTRUCTION

- We offer introductory to apprenticeship level courses
- Explore key trades of brickwork; joinery; painting & decorating and plumbing
- Tour workshops in M Block
- See student projects

## ENGINEERING - TECHNICIAN

- Explore HNC/D qualifications in mechanical and electrical engineering
- Join the energy transition
- Check out the Wind Turbine Technician Pathway
- Tour workshops, see student projects

## AUTOMOTIVE

- For vehicle maintenance and body repair courses
- Tour the workshops and spray booths
- Check out typical vehicles we work on
- Full time courses and Modern Apprenticeships

## ENGINEERING -SKILLS

- Explore Performing Engineering Operations courses including renewables
- Workshop walkthroughs: mechanical, electrical and fabrication & welding areas
- Take the Virtual Welder challenge
